COOKED PLAYDOUGH

Make this with your child and you both will love the warm, wonderful texture.
Store in an air tight container and it will stay good for weeks.

Mix together the dry ingredients:

2 cups flour

1 cup salt

4 teaspoons cream of tartar

Bring 2 cups water to a boil and then add to the water:

4 Tablespoons oil (vegetable or baby oil)

Liquid flavoring (optional)

Food coloring (optional)

Pour the water mixture over the flour, stirring as you go.

Stir until a ball forms and then carefully knead as it may still be hot.

Other Options:

*Try adding a package of unsweetened kool-aid to the dry ingredients (do not add flavoring or food coloring to the water)

*Add glitter or confetti (not for children under three) when kneading
